Hibiki Association

Board Update – November 2025

In November 2025, the Board of Directors met to review organizational development and growth initiatives.

Fundraising & Infrastructure

The board reviewed progress on expanding Hibiki's fundraising systems, including online donation platforms and nonprofit payment processing tools. Efforts are ongoing to strengthen financial infrastructure and improve donor accessibility.

The board also discussed outreach to private foundations and community-based organizations to support future programming.

Youth Leadership Expansion

The board welcomed a new youth leader to support Hibiki's Promotion Division, contributing to the growth of our student-led organizational structure and expanding opportunities beyond performance roles.

Community Partnerships & Performance Opportunities

The board reviewed potential collaborations with:

- Local farmers markets
- Senior care communities
- Public libraries

Discussions focused on increasing accessible performance opportunities throughout San Diego and building long-term partnerships.

Branding & Media Development

New logo concepts and a promotional reel are currently in development to support Hibiki's public presence and outreach efforts.

The board remains committed to strengthening governance, expanding community engagement, and supporting youth leadership development.

President,

Mariko Parris
